SERENA

SEXY SIREN

Every time that I go into a photo or video shoot, I treat it like I'm going out on a Saturday night. I like to take my time to get ready. It's important to me that I feel clean and ready to fuck. The guy or girl is going to get near my most intimate parts and that means they have to be fresh and ready.

From the looks of the shoot, Serena is always ready.

I've always been a bit of an exhibitionist and a cock-chaser. Several years ago at a college party, I stripped down to nothing and started dancing around the living room. It was full of guys and a few girls, but all the attention was on me. I would prance around and rub my boobs and wiggle my ass and the guys went crazy. From then on, I knew I was in control whenever I was naked. Now, bring on that cock.

do you like blondes?

Dear Editors,

I bought your magazine because I know Staci Thorn is one fine piece of ass. She's always been a fantasy girl of mine, right up there with Lexi Belle and Bridgette B. Yes, I love blondes. I love fucking blondes, I was married to a blonde, and I only fuck blondes. If I could talk to Staci, I'd tell her: 'I'm gonna satisfy you like no man can. As you lick my massive penis, my sperm is shot straight into your sucking mouth as you have an orgasm eating that sticky white fluid while your vagina becomes very wet and exciting wanting my cock.

Then you tell me to suck on hard nipples and I rip that red bra off and suck those honkers until you moan. I then smash my penis into your vagina and cause you to have a triple orgasm while you squirt all over me with your female ejaculation, and squirt into my mouth while I shoot hot cum down your wet pussy.

Then we'll pass out from exhaustion and wake up the next morning. You flash me your already wet pussy and I can't resist. I drive my big eight inch penis straight into it and shoot another huge load down your love canal. I then ram my massive penis up your ass and hit the zinger while you scream in pleasure.

Finally, I'm gonna rub fingers inside you, all over your G-Spot and clit while you have your third orgasm. Then I'd make my famous veal scallopini accompanied by a chilled pinot grigio and we'd eat and drink our way to our next fuck. Now that'd be a fine evening spent? No?

To Wild MILFS:

Hey you guys, what a pictorial of Staci Thorn, but even more so, what a video. That girl is way too smoking hot for us mere mortals. Her sex is great, full of fun, energy, and willing to do it all. Go Staci.

– Carter, Syracuse, NY

To the editor:

I have to admit that I have this thing for blonde chicks. Especially well endowed ones. I find them incredibly hot. They're a little more into themselves than most others. I am this way because I had a blonde/big boob fixation from younger days. And when I went to college in San Diego, they seemed to be all over the place. I was in pre-med and many of them were studying to be nursing students or doctor's aids. They seemed like a well-adjusted, caring bunch, with a high sex drive. Just my types. Almost all of them wanted to fool around -- a lot -- because it seems like it's built into their metabolisms.

My favorite blondie was a pharmacy major named Stephanie. We had been seeing each other on and off for a couple years and they were a lot of fun. She was, and probably still is, a real beauty. Alabaster skin and beautiful white teeth that glowed. Long flowing curls and full, really firm breasts with puffy pink nipples that begged to be sucked.

But now Stephanie is also a bit of a nympho, has been for about a year. At first, she was very, very shy. Over the course of our first year I led her along the path of seduction. Now, if and when I get to see her, she's a sexual animal, and she's got me wondering how many men she's devoured. I don't really mind because I've been dipping my pen in the blonde ink, too.

One night as we were sitting in my car after a nice dinner out, she told me that she was headed back to Boston in three months. Her courses were ending and she had to go. It made me sad, I told her so. She also seemed sad and we started kissing, softly at first like lovers separating, then more and more passionately. Those luscious lips of hers immediately swelled and she let out a gasp of pleasure. I took that as my cue to probe her mouth with my tongue and her body with my hands. Even though we had fucked many times, I felt a sense of urgency in our kiss, and she did, too.

She let out a moan and shuffled in her seat. We both felt cramped in the car so we headed back to her apartment. Within minutes we were in her bedroom and getting naked. We fell to the bed and she flipped me on my back, straddled me and stared into my eyes with a hungry lust that both startled me and intrigued me. She was taking charge of the sexual situation and we stripped one another of all our remaining clothes. She hovered over me and reached for my cock.

Stephanie turned and lifted her leg over me to straddle my face. I gave a light smack to her ass. She lowered her head close to my throbbing cock and took hold of it in one hand and put it in her mouth. In the meantime, I began running the tips of my fingers up and down the insides of her legs. Her ass stuck straight up in the air and her knees began to lift up off the ground as I would move my fingers up and around her ass and pussy. She started to kiss the entire area around my cock. I grabbed her hips and pulled them down as hard as I could. Her soaking wet pussy lips met mine and instantly she let out a warm long and low moan.

Her ass stuck straight up in the air and her knees began to lift up off the ground as I would move my fingers up and around her ass and pussy.

As I continued to lick her clit in a circular manner, she began to moan in a rhythmic pattern. My tongue lapped up all the excess juice and went in search of more. As I concentrated on her moans, I could tell they were escalating in their intensity. Stephanie took my cock sucked it deeper into her mouth and deeper into her throat. I could feel her entire body shaking and convulsing with each stroke of my tongue across her clit. It was then that it happened. She let out a muffled scream with my cock deep inside her throat and she exploded in a violent orgasm. She choked herself on my cock and slammed her ass down on my face. At the same time as she exploded, she began to squirt all over my face and into my mouth.

I loved the sensation and gave her my own loud moan of approval as I continued to lick at a feverish pace. She dislodged my cock from her throat and mouth and collapsed on top of me. She reached over and proceeded to stroke my still throbbing cock. She reached down and placed her hand on my balls to give them some attention. She fondled my balls while she masturbated me. The feel of her hands stroking my cock and pinching and pulling my ball sac put me deeper into blonde heaven.

Stephanie sat up and took my cock back into her mouth. The warm feeling of her lips and mouth on my cock was unbelievable. She moaned and continued to play with my balls awaiting my blast. I let out a very strained moan and grabbed one of her ass cheeks very hard. She inhaled and at the same time and swallowed an amazing amount of cum that erupted out of me. She continued to swallow and suck as she seemed overpowered by the sensation of my cum entering her mouth.

She grinned and kissed me passionately. I tasted the remains of my cum on her lips and on her tongue. I lowered myself to kiss and fondle her ample breasts, taking each nipple between my lips and flicking them with my tongue. She giggled and we laughed. I played with her blonde hair and she fuck between her boobs. We cuddled the rest of the night away knowing that we'd fuck again before she left. But tonight it was about the warmth and sharing between two people whose time together was soon going to change, perhaps to end.

But fear not, dear reader, there are a ton of new blondes coming my way and I'm ready for each and every one of them.

Terry G. – in San Diego

ASIA PLAYS THREE THE HARD WAY

Ever since I was old enough to remember, I've always been sexually charged. My libido works overtime and I'm always on the hunt for a cock or two. Today, it's two. Tomorrow it may be three. Sex is a lot of fun for me and now, at my age, it's something I can do freely, and often. I'll also admit that ever since I got into anal, a whole new world of excitement has opened up for me. And... it's even more fun if someone's watching.

PASSION IN THE WOODS

The last time I fucked was only a week ago, but I've been real horny since then. During the week, I'll get together with various girlfriends and we'll rub pussies and eat each other out, but on the weekend, I want a cock. A nice big hard cock that will satisfy me for another week. I like to do it in unusual places and this weekend it's a picnic in the woods and a fuck and suck in the grass.

My new job is a fucking pain in the ass. I have to supervise a bunch of uninspired guys who look to take the shortcut to everything and do nothing. I'm getting so fed up with them that I'm bringing them into my office for a talk. Every one. One at a time. Today is Richard's day. I've been watching him and he's probably the least lazy of the group. I need to find out if he's worth keeping or booting. Let's do it, Dick.

I KNOW WHAT DRIVES THE BOYS CRAZY

TARYN

There are a couple swimming pools at my condo complex. One's twice the size of the other. I usually hang at the bigger one because with more people there, I'm usually left alone. But today, it was so crowded that I went to the smaller one. It was also pretty full with a pack of boys jumping and splashing. Soon a group came over to me, dripping wet, and asked if I was a MILF? I told them I was and they all jumped for joy.

I really know how to cook

So now I'm living in the Houston heat and 100% humidity, listening to music and dancing around with nothing but my boxers on waiting for my beer to chill. I'm staying home from work because my air conditioning wasn't working and I needed relief. I had called a few days ago to a company, but they said they were booked solid because of the hot weather. Apparently, everybody's AC decides to break at the same time. Through the music, somehow I heard a knock on the door. I answer it and find a cute thirty-something lady in uniform standing there in an oversize company hat and holding a tool kit by her side.

How obvious, but I had to ask, "Are you the, uh, repairman?" Her eyes were fixated on my chest and glanced down at my boxers. She looked up and said, "Yes, I'm Nataly." she said pointing to her name tag. "I understand your AC's out." "Yep." I say and invited her in. We chatted about the extremely hot weather and noticed she was dripping a bit of sweat and probably need to cool off, so I offered her a glass of ice cold lemonade.

As she entered the house she sniffed air and the sweet smell. She asked if that was a cake she smelled. I told her I was an apprentice chef and was going to have my baking test this Friday. She wished me luck and asked where the air conditioner was. I led her to the garage and she got to work. About twenty minutes later and a gallon of sweat, she comes back into the house and says she's finished. She goes over to the thermostat and turns it to cool.

While we were waiting to be sure it was cooling, I asked if she would be my guinea pig and have a piece of my cake and tell me how she liked it. She looked at her watch and said she had a few minutes since her lunch time was here and her next appointment was in an hour. She put down her bag, took off her cap and sat at the kitchen island. Her blonde hair came falling out of her cap as she took it off. She unbuttoned her top button, fanning her collar on her blouse.

> *I sliced a piece for each of us and set them out. She forked a piece and savored the taste in her mouth.*

What a little hottie, I thought to myself. I walked to the fridge to get more lemonade. She said she preferred milk with cake. I looked and smiled at her and said I did too. I offered her one along with the drink. I had taken out the cake when she was in the garage and it had cooled enough. I sliced a piece for each of us and set them out. She forked a piece and savored the taste in her mouth. She smiled and said it was delicious. Humbly, I agreed with her and took another sip of milk to wash down my bite.

We made small talk as I was starting to feel a little flirtatious. I asked if she would like another piece. She said 'Yes." but had to get going after that. I placed another down on her plate and I began to get another for myself. She said she shouldn't finish the second one, holding up her forkful, offering the remainder to my mouth. How forwardly sexy, I thought, as I moved in for a small bite, mouth open and tongue sneaking forward.

I noticed that she noticed and caught little smile from her. I took the bite and she ate the rest of it. She gathered her stuff and headed for the door. She stopped a few feet from it and thanked me for the refreshment. I asked if she would like a slice to take with her but said it would probably melt in the service van. But to my pleasant surprise, asked if she could come over tomorrow to show her how to make one. I said she was welcome to come after three when I would have returned from class. She said that would be great, and this time she'd bring the milk because we had finished mine.

The next day I headed off about nine in the morning with another red velvet cake and plum torte. All of the chefs made tasty treats and it was fun to taste them all. About two pm I headed home to clean up before Nataly came over. Right at three there was knock at the door and opening it, there stood Nataly, who brought a lady friend just as cute as her. Both were wearing shorts and tank tops because of the heat and their incredible cuteness.

“Hi, Paul, this is Elise. I hope you don’t mind that’s she’s with me today. She also wants to learn how to make and bake a cake, too.” said Nataly. “No problem, please come in.” I said as they brushed past me into the house. They head to the kitchen and Nataly goes right to the fridge to put in the gallon of milk she promised. Elise saw me checking her out as Nataly bent over to find a spot for the milk. Embarrassed, I looked at Elise apologetically and she just smiled. After some small talk, we started making the cake. I watched as the two ladies deftly handled the spatulas and electric mixer. After about fifteen minutes the batter was ready and into the cake pan it went. And an hour later it was ready. As we waited for the cake to cool, they said they were roommates and had been living in Galveston for five years before moving to Houston.

The cake had cooled and the three of us were heating up. This time Elise goes over to the fridge to get the milk as Nataly cuts the cake. I serve them up and we all have a taste. Complimenting each other on how good it tasted, we all decide to have seconds.

After the next pieces disappeared, the girls commented on how hot the kitchen had become from baking. They asked if I minded if they took off their tops. I said it was okay by me. I could not believe that this was happening. I took off my tennis shirt asking permission only after it was off. They laughed and started stripping off their pants, too. In heated anticipation, I cleared the table of the plates and glasses but left the cake nearby.

They asked if I minded if they took off their tops. I said it was okay by me. I could not believe that this was happening.

Then Nataly turned to me, unbuttoned my pants, and pulled my cock out. She put one hand around it and then Elise put her hand on top of hers. She leaned forward and took the head of my cock in her mouth. As the two women squeezed it, a glob of precum oozed out and Nataly slurped it up.

Elise got behind me and quite deftly guided my cock to Nataly’s slick pussy when she stood up from the bj. Nataly moaned as I pushed forward; she pushed back against me. Nataly eventually stood and took me by the hand and led me back into the bedroom. Elise followed and then took the lead. In the bedroom I felt her warm breath as her lips enveloped my cock and she easily slurped half of my cock into her mouth. Looking up, her brown eyes sparkled at me as she inhaled the other half of my cock.

My knees were weak as I felt her throat contracting around my cock for what must have been a minute or two but felt like forever. Nataly pushed me down and straddled my hips, her hands deftly guiding my cock into her sweet wet pussy once again. She started first by just rubbing the tip of my cock against the swollen lips of her pussy. The feeling was wonderful and I found myself thrusting up to try to get deeper inside of that sweet honey pie.

When she finally lowered herself onto my hips, it was like I was sliding into a tub of warm butter, she rested there impaled on my cock for some time. I could feel her muscles start flexing and contracting around me. I was delirious with the pleasure these women were giving me. With Nataly riding me, Elise climbed onto the bed and straddled my face. I reached up and squeezed her breasts with both hands. She pulled my face deeper into her sopping wet pussy and my tongue extended to its fullest as she leaned forward and began kissing Nataly. When she did Nataly started to flex her hips grinding and riding up and down my cock. It wasn't long before I was spurting my hot cream into her wonderful, magical pussy. But that was not to be enough.

I felt Nataly's hands grab my balls and begin massaging them fiercely as I fucked her friend.

Elise's pussy was hot and wonderful too. When she slipped off my face, she pushed Nataly off me and slid onto my cock. It was only seconds before I went from semi to rigid as her tight pussy got me going once again. She straddled me and leaned her body over mine, her nipples just grazing my face as she rocked up and down on my cock. I sucked and pulled on them when I could with my teeth as she picked up her tempo until she was slamming her pussy down on my cock. I felt Nataly's hands grab my balls and begin massaging them fiercely as I fucked her friend.

Then I felt one wet finger slide into my butt hole and that sent me over the top. I bucked a couple more times with Elise riding me like a cowgirl. Elise gasped as I felt her pussy muscles contract around my cock and my own juices boiled over into her. She lay on top of me for several minutes, my cock slowly sliding out of her, both of us spent. Nataly laid next to us gently caressing my balls and slipping a finger or two into Elise's wetness.

Elise managed to stand up after a little bit and I could see some of my cum leaking out of her. She apparently felt it too and scooped some up with her fingers. With my milky goodness dripping down them, she shows them to Nataly and says that this would go great with milk and cake! She tells me to get the rest of it. We were going to have us another red velvet party.

Deep anal PROBING

I consider myself a totally analiscious MILF. My butthole is a special place. It's special to me and even more special for the guy who I allow to put their cock in there. If he doesn't treat it special, then there's nothing special about him and he's done in my book. But this is all talk. Let me show you how I like it done. There are special ways to do it and you should be one of my special ass-fuckers, too.

LARISSA & MAGGIE DOUBLE THE TROUBLE

We're naked and bored. You're bored and we hope your naked so you can enjoy yourself as we take on this guy's cock. We'd do to you what we're going to do to him. Like this... Each one of us will suck his big cock from top to bottom. Then we'll fuck him one at a time in our tight young pussies, and maybe even let him put his cock into one, or both, of our asses. Can you guess which one that's going to be?

I worked as a go-go dancer during my college years to help pay for college. After college, I moved to Las Vegas and started dancing at the big clubs there. I enjoyed being in a cage above the crowd dancing my ass off. Then I started dancing in the VIP room. There, the champagne flowed freely. The guys that were generous and I was always happy to put on a great show for them.
